100th Day

Here are some pictures for activities that took place on the 100th Day of school.

This week at school was the greatest week ever! Because we got to do 8 different stations on 100th Day. You could do the trail mix, puzzles, you could go in the gym, make fruit loop necklaces, do lego, pattern blocks, draw what you think you will look like when you are 100 years old, and last but not least play Race to 100.
